G-Invoicing Implementation Timeline for
Enterprise Resource Planning and Software Providers
SAP

For More Information

SAP conducts regular meetings with customers to provide/obtain information related to this development initiative. For questions relating to SAP's support for your Agency please first contact your Agency's SAP GINV Point of Contact (PoC). Your Agency's SAP GINV PoC is the first line of communication for information from SAP to share with stakeholders inside your organization, as well as the point person responsible to facilitate FAQs and meetings with SAP on behalf of your organization.

Join our Working Group

For updates on SAP's G-Invoicing project status, please join monthly calls with the FMSC Working Group hosted by Martin Quinlan (DOI). To request / obtain access to join the SAP Working Group calls, please contact FMSC at FMSC@fiscal.treasury.gov.
