

BMS Training For Bank Management Reporters

BMI Reporting Cycle

Financial Institution User Roles

- **Bank Management Reporter (BMR)** – This user will report BMI volumes each month for financial institution and has access to the following BMS functions:
 - Enter BMI (also Upload/Apply BMI)
 - View Comp Plan Structure
 - BMS Queries & Reports
 - User Profile & BMS User Guide
- **Local Security Administrator (LSA)** – This user's role is to manage access to the BMS comp plan. The LSA may add/delete users via the ITIM system or submit a BMS User Authorization Form. Their BMS access is restricted to a few reports, user profile, user guide and the user access group assignment screen.

BMS User Login

- BMS Users will access the Bank Management System application via the Fiscal Service Login Screen at <https://bms.fiscal.treasury.gov> using the ITIM user ID and password.

User Notices

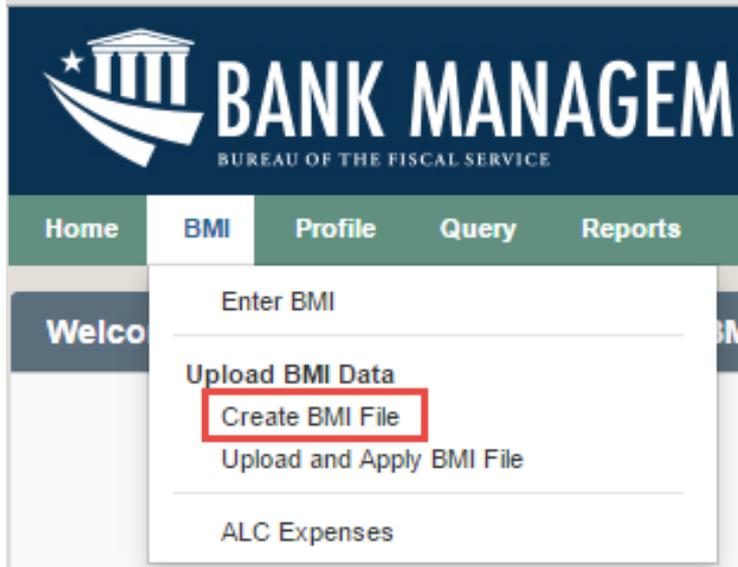

Users will be timed out after 30 minutes of inactivity in accordance with Bureau of the Fiscal Service technology standards.

System Information

BMS is best viewed using a resolution of 1024x768.

Create BMI Template

(Upload Method)

- Bank Management Reporter will upload/apply BMI volumes using a specially formatted Excel template.
- To create a new BMI template file, select Create BMI File from the BMI drop-down menu.
- Best Practice – Download a new template file each month.

Create BMI File

- BMR users may download a blank BMI Data template on the Create BMI File Search Screen.
 - Select desired comp plan from the drop-down list, or click the Download Template File button to download a new BMI template.
 - Select desired Statement Month from the drop-down.
 - Default display is Reported Codes only (i.e., volumes reported by the bank)

The screenshot shows the 'Create BMI File' web interface. The main heading is 'Create BMI File' and the sub-heading is 'Create BMI Template File'. The form contains the following fields and options:

- Comp Plan:** A drop-down menu with '2316 - ES CP 1' selected. A red arrow points to it with the text 'Select comp plan from drop-down'.
- Reporting Level:** A drop-down menu with 'Comp Plan' selected.
- Reporting Level ID (Optional):** A drop-down menu with 'Select Reporting Level ID' selected.
- Statement Month:** A drop-down menu with 'May 2017' selected. A red arrow points to it with the text 'Select desired Statement Month'.
- Included AFP Codes:** Three radio button options: 'Reported' (checked), 'Fixed', and 'Derived'. A red arrow points to the 'Reported' option with the text 'Default is Reported AFP Codes only'.
- Buttons:** A blue 'Download Template File' button and a 'Clear' button. A red arrow points to the 'Download Template File' button with the text 'Click Download Template File button'.

Download Template

- Excel download window displays bottom of screen.
- Click open to open file.
- Note: BMS requires Excel 97-2003 format.

Do you want to open or save 2239_Mar_2017_Thu_Apr_06_12_24_29_EDT_2017.xls (5.00 KB) from bms.fiscal.treasury.gov?

Open Save ▼ Cancel

Edit/Save BMI Template

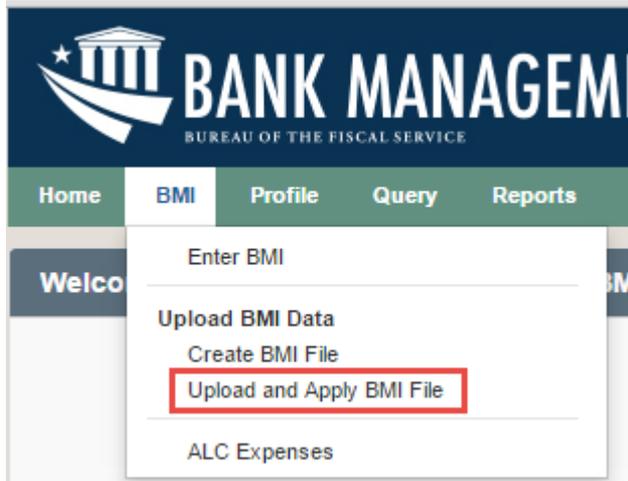

- Volume and Replace Flag fields are editable for the BMR user.
- Enter volumes for desired AFP Codes and save file (Excel 97-2003 format only).
- Volumes must be whole decimal values only.
- Use Replace Flag field as necessary.
- Bank Management Reporter will upload/apply BMI template file in BMS by the 7th business day of each month.

Enter Volumes as whole numbers

	A	B	C	D	E	F	G	H	I	J	K

Click Submit to upload file

Upload BMI File

- Confirmation message displays indicating successful upload.

File uploaded successfully. File was uploaded with 0 records rejected.

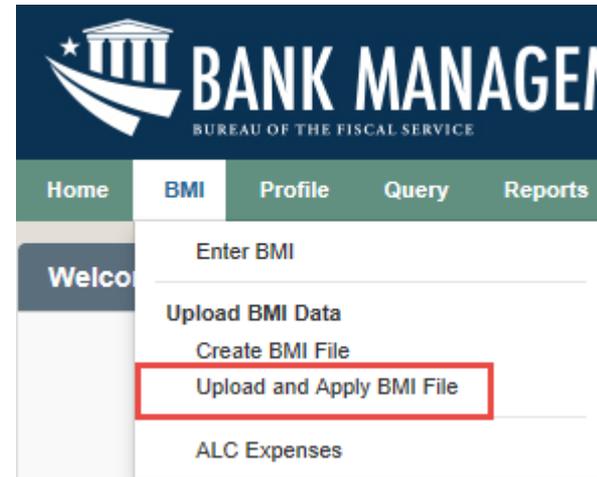

- Error message indicates file upload failure. Correct BMI template file and upload again.

The file failed to upload to the server.

- Common errors may include invalid file format, spaces between digits, not using whole decimal values, alpha character in volume field.

Apply BMI File

- Once BMI template file is successfully uploaded, the next step is to apply the file to BMS.
- Action is completed by the Bank Management Reporter.
- Select Upload and Apply BMI File from BMI drop-down.
- Locate file in Apply Selected BMI Files window using Status drop-down.

▼ Apply Selected BMI Files

Status: Uploaded ← Locate file

Click Apply Update
to apply volumes
to BMS.

Apply BMI File

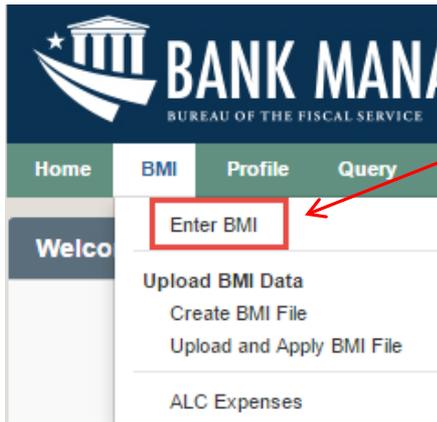

- Confirmation message displays indicating successful file application.

File applied successfully. File was applied with 3 new transactions and 0 records rejected.

- Error message indicates file application failed. Make necessary corrections and upload/apply again.

The file failed to upload to the server.

Enter BMI (Manual Method)

- Bank Management Reports may enter BMI data manually into the BMS system.
- Click on Enter BMI on the BMI drop-down menu to begin.

- Enter Comp Plan ID or leave blank.
- Statement Month is required field.

A screenshot of the 'Enter BMI' form in the Bank Management System. The form is titled 'Enter BMI' and has a search bar. Below the search bar, there are two input fields: 'Enter Comp Plan ID' and 'Enter Comp Plan Name'. The 'Comp Plan (Optional)' label is positioned above the first input field. Below these fields, there is a 'Select Statement Month' dropdown menu with 'May 2016' selected. At the bottom of the form, there are two buttons: 'Search' and 'Clear Criteria'. The top navigation bar includes 'Home', 'BMI', 'Profile', 'Query', 'Reports', 'User', and 'Help'. The system date is 'May 17, 2016' and there is a 'Log Out' button.

Enter BMI

Enter BMI
