G-Invoicing Release 2.1 Overview

- Targeted for Implementation in Production on 3/26/2018
- Permits Governmentwide use of G-Invoicing to broker General Terms and Conditions (GT&C)
- Modifies GT&C functionality to support internal drafts and multiple approvals
- Implements reporting service framework
 - User Identity Report
- Aligns GT&C functionality with the Federal Intragovernmental Data Standards (FIDS)

GT&C Updates

- Updated GT&C Document States
 - Internal Draft: Draft GT&C viewable only by initiator
 - Shared Draft: Draft GT&C shared by initiator for their trading partner to complete
- New GT&C Roles
 - Creator and Final Approver
- Aligns GT&C functionality with the Federal Intragovernmental Data Standards (FIDS)
- List of active partners by ALC will be maintained and published by Fiscal Service
 - “Active” means that the ALC is reviewing and approving GT&Cs
- Trading Partner Bullpen
 - Allows an FPA to establish an agreement with an inactive trading partner ALC

G-Invoicing 2.1 GT&C Creation Process

- If both trading partners are active in G-Invoicing, GT&Cs can be approved and “Open for Orders”
- If one trading partner is active in G-Invoicing and their trading partner’s ALC is inactive (in the bullpen), draft can be shared with your trading partner
- If one trading partner is active in G-Invoicing and cannot find their trading partner’s ALC, reach out to Fiscal Service at igt@fiscal.treasury.gov
- Each trading partner can assign the following user roles: GT&C Initiator, GT&C Manager, Approver 1 and Approver 2
