## JANUARY'S NAVY CASH SAILOR OF THE MONTH

**LTJG Elizaveta Davidovich, USS ROSS (DDG 71)** is the Navy Cash Sailor of the Month for January 2013. Assigned as the Disbursing Officer and Assistant Supply Officer, she has maintained an efficient and flawless operation despite facing multiple challenges. Specifically, she provided outstanding customer support to the crew during two CNO availability periods as well during a Navy Cash Technical Refresh. Her ability to troubleshoot and communicate effectively with other support personnel has kept the Navy Cash system operating at peak performance. LTJG Davidovich was instrumental in providing feedback and recommendations on various facets of the Navy Cash System; that has assisted the Program Office to improve upon the system. She is a valuable asset to the program, continues to perform exceptionally and is worthy to be named as Navy Cash Sailor of the Month for January 2013.

## FEBRUARY'S NAVY CASH SAILOR OF THE MONTH

**ENS Izadel Kelley of the USS MILIUS (DDG 69)** is the Navy Cash Sailor of the Month for February 2013. ENS Kelley showed great resolve and dedication during the ships move off and relocation of all Navy Cash and Ships Store functions to MILIUS' barge during CNO's Extended Dry-docking Selected Restricted Availability (EDSRA). Overcoming LAN issues was a struggle due to connectivity and she worked diligently with ITs and Navy Cash help desk personnel to ensure MILIUS crew had the little to no impact. She also coordinated resources for the disposition of old equipment and the installation of new soda and snack vending machines that were required for the Navy Cash Tech Refresh being received during the avail. As the sole Navy Cash manager onboard, she ensures all issues are resolved expeditiously and efficiently. ENS Kelley is a Supply Corps Officer that takes care of the crew first; she is very deserving of this recognition.

## MARCH'S NAVY CASH SAILOR OF THE MONTH

**LTJG Jonathan Okonak, USS COLE (DDG 67)** is the Navy Cash Sailor of the Month for March 2013. An outstanding Supply Officer he currently serves as the Disbursing Officer and Assistant Supply Officer and has consistently demonstrated a thorough knowledge of operations of the Navy Cash system. This in-depth knowledge enables him to provide the highest quality service to the sailors of USS COLE. This was specifically noted during a recent service call by the Navy Cash installation team, who commented on the phenomenal job he is performing. His disbursing accountability is excellent and all Navy Cash equipment is inventoried, organized and accounted for. Both his Disbursing and Sales Operations are considered to be one of the best on the waterfront. The Navy Cash program office would like to thank LTJG Okonak for the superb management of your system and providing the crew with the highest standards for service in excellence.

**"Pre-Deployment Service Calls can be requested to check the overall health of your Navy Cash system. If the budget permits, we will try to accommodate all requests (post-deployment service calls). Equipment will be tested and software updates, training, and/or parts provided, if required.**

**Deployment related Service Call scheduling procedures are in the Navy Cash SOP, Appendix Q. The ship (you) must initiate a Service Call request: Plan ahead (90 days). Don't overlook this important support service!"**
