

Verification

All 4th quarter (year-end) reports must be verified by the submitting Agency/Department's Chief Financial Officer (CFO) or equivalent.

Verification of the Receivables Report means that the report has been reconciled to the agency's Audited Financial Statements to the Governmentwide Treasury Account Symbol Adjusted Trail Balance System (GTAS).

Only one verification at the Agency or Department level is to be submitted. The verification is to be submitted by the Agency/Department CFO or equivalent.

The verification should state that the information presented in Part I, Section A, Ending Balance line of the "Report on Receivables Due from the Public" was reviewed and is reconciled to the receivable balances in the agency's (a) Form and Content -Audited Financial Statements, i.e., the Balance Sheet and (b) GTAS. If the report is not reconciled to the Balance Sheet and GTAS, the verification should so state, with an explanation as to why verification is not possible. Agencies should also disclose the audit opinion of the Financial Statements or any issues regarding the pertinent accounts.

The Bureau of Fiscal Service (BFS) acknowledges that there will be differences among the balances reported since the Receivables Report presents the gross book value of receivables as opposed to the net present value presented on the Audited Financial Statements and in GTAS. Agencies are requested to define these differences and disclose any discrepancies in a separate document to be returned with the signed Verification/Certification.

Include in the TROR all receivables for programs that are administered by the agency. Receivables are reported with the program that first generated the receivables unless there was a transfer by book entry to another entity.

Certification

All 4th quarter (year-end) reports must also be certified by the submitting agency's CFO or equivalent. Certification means that the delinquent debt information reported on the Receivables Report for cross servicing and offset in Part II, Section B, is correct and legally enforceable.

Only one certification at the Agency or Department level is to be submitted. The certification is to be submitted by the Agency/Department Chief Financial Officer or equivalent.
