

**Scenario IIA - Special/Trust Fund Rescissions**

**Available Receipt TAFS Automatically Appropriates to Expenditure TAFS  
Corresponds to Trust Fund Guide Scenario IV - Trust Fund Investments  
Appropriation Rescinded but *not* Cancelled**

**This scenario addresses invested available trust TAFS with unobligated funds not subject to apportionment and excludes the Treasury managed Trust funds. It displays use of USSGL account 4382 - Rescission – New Budget Authority - Special and Trust TAFS Designated by Treasury as Available.**

USSGL account 4386 - Authority Permanently Unavailable for Obligation Pursuant to Public Law - Special and Trust TAFS designated by Treasury as Available must be used in place of USSGL 4382 if OMB directs agencies to report rescissions as reductions in the SF-133 line 6E and the corresponding lines of the Schedule P. USSGL 4383 – Rescission – Prior Year – Special and Trust TAFS designated by Treasury as Available may also be used with this scenario since there can be unobligated balances at year-end. USSGL accounts 4382, 4383 and 4386 will be available for use in FY 2003. USSGL account 4384 will be available for use in FY 2002.

**YEAR 1**

**1. Record appropriated receipts from Federal sources into a trust fund. The receipts are deposited into an available trust fund receipt account, and are automatically credited to the corresponding expenditure account. (TC A186)**
