U.S. STANDARD GENERAL LEDGER (USSGL)
VOTING BALLOT #21-02

The USSGL staff presented the Final Voting Ballot #21-02 at the May 05, 2021 USSGL Board meeting. Please indicate the agency’s vote by marking “Yes” or “No” on the voting ballot for each proposal to revise the USSGL account. (Please provide a detailed justification for all “No” votes.) USSGL Board Members will vote using Survey Monkey, or e-mail their scanned ballot to USSGLTeam@fiscal.treasury.gov. The Survey Monkey link will be provided to the voting USSGL IRC board members. Fiscal Service must receive the agency’s votes by EST. 12:00 PM May 12, 2021.

PROPOSED NEW USSGL ACCOUNTS FOR FISCAL 2021

Account Title: Criminal Restitution Receivable
Account Number: 137400
Normal Balance: Debit
Definition: The amount of criminal restitution funds receivable, resulting from court-ordered fines and restitution in which a convicted offender is ordered to reimburse funds for losses incurred to federal entities. Criminal restitution may be ordered for losses incurred directly related to the offender’s crime. Recognize as a receivable when court actions determine an assessment (SFFAS No. 7, par. 54). This account does not close at year-end.

Justification: Fiscal Service continues the analysis of criminal restitution in preparation of the Financial Report of the U.S. Government. The reporting requirement for entities will be removed for FY 2021. However, USSGL accounts separating criminal restitution from other accounts receivable will help to streamline the financial reporting and audit processes.

Account Title: Allowance for Loss on Criminal Restitution Receivable
Account Number: 137900
Normal Balance: Credit
Definition: The estimated amount of loss due to uncollectible criminal restitution receivables. This account does not close at year-end.

Justification: Fiscal Service continues the analysis of criminal restitution in preparation of the Financial Report of the U.S. Government. The reporting requirement for entities will be removed for FY 2021. However, USSGL accounts separating criminal restitution from other accounts receivable will help to streamline the financial reporting and audit processes.

PROPOSED CHANGES TO USSGL ACCOUNTS FOR FISCAL 2021

PROPOSED DELETION OF CURRENT USSGL ACCOUNTS FOR FISCAL 2021

PROPOSED NEW USSGL ACCOUNTS FOR FISCAL 2022

Account Title: Transfers of Contract Authority - Allocation – Prior-Year Authority
Account Number: 413712
Normal Balance: Debit
Definition: This account is used to record the amount of prior-year contract authority transferred between parent and allocation (child) Treasury Appropriation Fund Symbols based upon an approved letter. This occurs before the actual transfer of funds, which is to be accomplished as a non-expenditure allocation transfer. Although the normal balance for this account is debit, it is acceptable for this account to have a credit balance.

Justification: New USSGL account to separate prior-year authority from current-year authority.
**Account Title:** Appropriation to Liquidate Contract Authority - FMSTF  
**Account Number:** 413810  
**Normal Balance:** Debit  
**Definition:** This account is used to record the amount of liquidating appropriations (recorded in a trust non-revolving expenditure account directly associated with available trust fund non-revolving receipt accounts) received during the fiscal year to fund contract authority as specified in the appropriation language. This transaction does not apply to trust fund corpus accounts where receipts are available for expenditure in the same TAFS. For use with Foreign Military Sales Trust Fund (FMSTF) only.

**Justification:** New USSGL account specifically for FMSTF to record appropriations to liquidate contract authority.

---

**Account Title:** Actual Repayment of Definite Borrowing Authority Converted to Cash - Prior-Year Balances  
**Account Number:** 414202  
**Normal Balance:** Credit  
**Definition:** This account is used to record amounts transferred to the General Fund of the U.S. Government by a non-expenditure transfer of prior-year balances for unused or excess borrowing amounts to repay debt. The prior-year definite borrowing authority has been exercised but has not been used to liquidate obligations.

**Justification:** New USSGL account to separate prior-year from current-year and to separate definite borrowing authority from indefinite borrowing authority.

---

**Account Title:** Actual Repayment of Indefinite Borrowing Authority Converted to Cash - Prior-Year Balances  
**Account Number:** 414203  
**Normal Balance:** Credit  
**Definition:** This account is used to record amounts transferred to the General Fund of the U.S. Government by a non-expenditure transfer of prior-year balances for unused or excess borrowing amounts to repay debt. The prior-year indefinite borrowing authority has been exercised but has not been used to liquidate obligations.

**Justification:** New USSGL account to separate prior-year from current-year and to separate definite borrowing authority from indefinite borrowing authority.
**Account Title:** Transfers of Contract Authority - Non-Allocation – Prior-Year Authority  
**Account Number:** 415312  
**Normal Balance:** Debit  
**Definition:** This account is used to record the amount of prior-year contract authority transferred between two non-allocation Treasury Appropriation Fund Symbols. This occurs before the actual transfer of funds, which will later be accomplished as a non-expenditure non-allocation transfer. Only the Department of Transportation may use this account. Although the normal balance for this account is debit, it is acceptable for this account to have a credit balance. This account is reduced at year-end by the amount of appropriations received to liquidate contract authority non-allocation transferred.  

**Justification:** In lieu of using GTAS attribute domain value Year of Budget Authority Indicator to distinguish between prior year and current year authority, this new USSGL account has been established to make the distinction.

**Account Title:** Anticipated Reimbursements from Non-Federal Sources  
**Account Number:** 421010  
**Normal Balance:** Debit  
**Definition:** This account is used to record the estimate of customer orders with a cash advance for goods or services expected to be received or provided during the current-fiscal year and against which reimbursements will be earned in either the current or subsequent fiscal years.  

**Justification:** To separate Anticipated Reimbursements from Non-Federal Sources from those of Federal/Non-Federal Exception Sources.

**Account Title:** Actual Collections of Voluntary Insurance Enrollment Fees-Business Type Fees  
**Account Number:** 426900  
**Normal Balance:** Debit  
**Definition:** This account is used to record the amount of fees from voluntary insurance payments collected during the fiscal year from non-federal sources that were previously anticipated.  

**Justification:** To provide a mechanism to record offsetting collection activity for voluntary insurance premiums.

**PROPOSED CHANGES TO USSGL ACCOUNTS FOR FISCAL 2022**

**Account Title:** Transfers of Contract Authority - Allocation – Current-Year Authority  
**Account Number:** 413700  
**Normal Balance:** Debit  
**Definition:** This account is used to record the amount of current-year contract authority transferred between parent and allocation (child) Treasury Appropriation Fund Symbols based upon an approved letter. This occurs before the actual transfer of funds, which is to be accomplished as a non-expenditure allocation transfer. Although the normal balance for this account is debit, it is acceptable for this account to have a credit balance. This account does not close at year-end.
Justification: Modify USSGL account to separate prior-year from current-year.

Account Title: Actual Repayment of Borrowing Authority Converted to Cash – Current-Year Authority
Account Number: 414200
Normal Balance: Credit
Definition: This account is used to record amounts transferred to the General Fund of the U.S. Government by a non-expenditure transfer of current-year authority for unused or excess borrowing amounts to repay debt. The current-year borrowing authority has been exercised but has not been used to liquidate obligations.

Justification: Modify USSGL account to separate prior-year from current-year.

Account Title: Transfers of Contract Authority - Non-Allocation – Current-Year Authority
Account Number: 415300
Normal Balance: Debit
Definition: This account is used to record the amount of current-year contract authority transferred between two non-allocation Treasury Appropriation Fund Symbols. This occurs before the actual transfer of funds, which will later be accomplished as a non-expenditure non-allocation transfer. Only the Department of Transportation may use this account. Although the normal balance for this account is debit, it is acceptable for this account to have a credit balance. This account is reduced at year-end by the amount of appropriations received to liquidate contract authority non-allocation transferred. This account does not close at year-end.

Justification: In lieu of using GTAS attribute domain value Year of Budget Authority Indicator to distinguish between prior-year and current-year authority, this USSGL account has been modified to make the distinction.

Account Title: Anticipated Reimbursements from Federal/Non-Federal Exception Sources
Account Number: 421000
Normal Balance: Debit
Definition: This account is used to record the estimate of reimbursements from customer orders (with or without a cash advance) for goods or services expected to be received or provided during the current fiscal year and against which reimbursements will be earned during the current or subsequent fiscal years, based on customer orders or services received or provided.

Justification: To separate Anticipated Reimbursements from Non-Federal Sources from those of Federal/Non-Federal Exception Sources.

PROPOSED DELETION OF CURRENT USSGL ACCOUNTS FOR FISCAL 2022
