Date of Request:

□ Close BETCs

BUREAU OF THE FISCAL SERVICE FISCAL ACCOUNTING BETC REQUEST FORM INSTRUCTIONS PAGE

Insert date the Agency is preparing the request

- 1. Select ONLY ONE action:
 - "Add BETCs" will add existing BETCs to an existing Treasury Account, thereby creating new TAS/BETC relationships
 - "Close BETCs" will close BETCs for the listed Treasury Account(s), thereby terminating those TAS/BETC relationships
- 2. Provide Agency and contact information for the person signing the form, thereby authorizing the request; typically both options will require a supervisor/manager level
- **3.** Provide the specific enacted legislation authorizing the requested action (either U.S. Code or Public Law with Statute "STAT" page)
- 4. List up to 12 existing BETCs that either need to be added to or closed from the Treasury Accounts listed in item #5 (Note: If more than 12 BETCs are needed for a particular request, please fill out a separate form or contact the BAAS group for an exception)
- 5. Provide the Treasury Account Information for up to 4 Treasury Accounts:
 - "SP" Sub-level Prefix (very rare, normally blank)
 - "ATA" Allocation Transfer Account (for allocation accounts ONLY)(when needed, provide the 3-digit AID for the child agency)
 - "AID" Agency Identification code (must be three digits)
 - "BPOA" "EPOA" Beginning and Ending Periods of Availability (blank for "X" or "F" accounts)
 - "A" Availability code (blank for accounts with a POA, otherwise either "X" for indefinite period of availability or "F" for clearing accounts)
 - "MAIN" The 4-digit main account for the program
 - "SUB" 3-digit point identification (default is 000 unless otherwise specified)
 - "Account Title" Provide the account title for the Treasury Account
 - Note: If more than four Treasury Accounts are needed for a particular request, please fill out a separate form or contact the BAAS group for an exception
- 6. Provide the business justification/reason for the requested action and any additional information as necessary to support the request
- 7. For Fiscal Service Use ONLY
 - Each functional area must acknowledge that the requested action for the TAS/BETC association(s) appears appropriate based upon the business need identified by the agency by signing the form (typically will be a supervisor/manager level or BETC SME)
 - When needed, specialized areas can indicate their approval by signing the form (i.e., Investments, Borrowings, Summary Debt Accounting, etc)
 - If additional comments are needed, enter them in the text field below the signature lines
