APRIL'S NAVY CASH SAILOR OF THE MONTH

ENS Arthur "AJ" Stone on USS PELELIU (LHA 5) has been selected as the Navy Cash Sailor of the Month for April 2014. He was nominated for his extraordinary efforts to overcome material condition obstacles that impeded Navy Cash readiness. In only three months of being at the helm, ENS Stone took charge of his Navy Cash system onboard, coordinating with ENGILITY to perform a much needed service call that included the training of various personnel on current SOPs, Navy Cash maintenance, and operator usage. His onboard workstations and devices are all now operating at optimal performance due to his technical enlisted background and ability to effectively identify and troubleshoot electronic and IT systems with ENGILITY. ENS Stone was also the first Disbursing Officer to receive the new Windows 7 upgrade to his server and workstations and provided vital end-user notes. The notes will help contribute to future Navy Cash upgrades throughout the Fleet. Bravo Zulu to ENS Stone and his dedication to ensuring Sailors experience the best from Navy Cash customer service!

MAY'S NAVY CASH SAILOR OF THE MONTH

The Crew on **USS HARRY S. TRUMAN (CVN 75)** has been selected as the **Navy Cash Sailors of the Month for May 2014**. LT Hough, PS1 Lawal, PS2 Gyansah, and PS3 Holley were nominated for their unsurpassed dedication, initiative, and contributions to the Navy Cash Program. They are in compliance with all Navy Cash policy and procedures and utilize all logs and files required to conduct business properly. They monitor their daily reports to ensure all negative balance issues are handled properly and maintain a zero negative balance compared to the fleet's average. Their customer service is outstanding, and they follow through on all issues promised, improving the moral of over three thousand sailors onboard TRUMAN. Most notable attributes come from PS1 Lawal, who drives the professionalism with his leadership. He sets the example for LT Hough and PS2 Gyansah. Special thanks to LT Hough for a great tour of the ship for our business partners from Treasury and the Federal Reserve Bank. All four of these outstanding sailors work together to ensure the crew is provided the best service available.
