## Acquiring OTCnet Hardware

### Acquiring OTCnet Hardware:

1. Complete an Interagency Agreement (IAA) form to transfer funding for hardware from your agency to Treasury/Fiscal Service, and have the OTC Deployment Team purchase the hardware on your behalf. Please let the OTCnet Deployment Team know if you would like to order via IAA and they will send you additional instructions for completing the form. Once the IAA is approved by Fiscal Service, the hardware will be shipped via overnight shipping at no cost to the agency.
2. To place an order for immediate shipment, use your agency purchase card to purchase the hardware directly from the vendor. Upon request, the OTCnet Deployment Team will provide your organization with forms for the vendors: RDM (RDM scanners) and Bankers Exchange (Panini scanners and keypad). Their information is also below.
  - **RDM POC:** Stacy Carson / 1-800-567-6227 x345 / [scarson@rdmcorp.com](mailto:scarson@rdmcorp.com)
  - **Bankers Exchange POC:** Chelsea Bennett / 1-888-749-6396 ext.189 / [chelsea.bennett@bankersx.com](mailto:chelsea.bennett@bankersx.com)
