

LVD Check Verification Override

To override a blocked, suspended, or denied check, complete the following steps:

1. Click **Override** to override the blocked, suspended or denied check. An *Override Check Denial* dialog box appears.

Application Tip

When an override of a blocked check is performed in check capture, the override is a temporary, one-time event. The check remains blocked in the MVD database unless an authorized person clears the item out of the MVD database.

Application Tip

Click **Print** to print the Verification report.
