Armed Forces EZpay Smart Card Agreement

The following Agreement regards the Armed Forces EZpay Smart Card ("Card") you have been issued. In this Agreement, the words "you", "your", and "yours" refer to the person who has been issued or is using the Card. The words "we", "us" and "ours" refer to the U.S. Treasury.

Use of Card. This Card may be used on or before the expiration date of the card (which is the last day of your graduation month) to purchase goods or services at any merchant or vending machine displaying the Smart Card logo. Each time you use the Card, the purchase price will be deducted from the balance of the Card. You may use the Card until the balance is zero or until the expiration date, whichever occurs first.

Un-used Value. Any value remaining on your Card after the expiration date will be refunded to your account of record.

Expiration Date. Make every effort to spend all the funds on the Card before graduation or cash it out before it expires. Your Card will not be accepted, and may not be used, for purchases after the expiration date.

Merchant Refunds. The policies and requirements of the merchant or vendor for refunds or credits apply to any purchases you make with the Card. If a refund or credit is permitted by the merchant or vendor, it will not be added back to the value on the Card. You must make other arrangements with the merchant or vendor for a refund or credit in cash or merchandise.

Lost, Stolen, or Damaged Cards. Please treat this Card like cash. If your card is lost, stolen or damaged, report it immediately to your instructor to find where to go to have the card cancelled. If the card is lost or stolen and used, we are not liable. If the Card is damaged and cannot be read by a Smart Card reader/terminal, you will be required to surrender the Card for further processing before a refund is made.
