

## View Terminal Configuration

The **Check Capture Administrators (CCA)**, **Check Capture Supervisors (CCS)**, **Check Capture Lead Operators (CCLO)**, **Check Capture Operators (CCO)**, **Card Administrators (CA)** and **Card Operators (CO)** are authorized to view terminal configuration.

To view terminal configuration, complete the following steps:

1. Click the **Administration** tab.
2. Select **Manage Check Processing>Terminal Configuration** and click **View**.
3. The *View page appears*. View Terminal Configuration.

### Application Tip

Additional button on the page that helps you perform other tasks:

- Click **Return Home** to the OTCnet Home Page.
