Select 80mm Card Receipt Printer

To select the 80mm Card Receipt Printer, complete the following steps:

1. Double-click the **Start OTCnet Local Bridge** icon located on the terminal desktop.

Or

Click Start>Programs>Start OTCnet Local Bridge.

2. The *OTCnet Local Bridge Startup* window appears. Click the **File** menu, and select **Select 80mm Card Receipt Printer**, as shown in Figure 1.

Clicking "C	onfirm" will configure your device to print care	d receipts on 80mm
receipt par	ber.	
Clicking "C	lear Selection & Close" will configure your dev	rice to print card
receipts us	sing your default windows printer.	
	Confirm Clea	r Selection & Close

Application Tips

- To cancel your selection (Select 80mm Card Receipt Printer), click Clear Selection & Close to cancel and close the window.
- A "The Windows default printer, 'Microsoft Print to PDF,' is used as your card receipt printer" message appears.
- 4. The "You have successfully chosen XXX Printer as your 80mm card receipt printer" message appears. Click **OK** to return to the OLB Login page.

Application Tips

- In the event that your 80mm printer is no longer available (if your printer drivers are removed from the Window's list of managed printers), the "Your previously selected 80mm card receipt printer, 'XXX Printer', is no longer available. Card Receipt printing reverts back to using the Windows default printer. Please select an 80mm printer again to enable 80mm card receipt printing" message appears on the OLB login page.
- Click Ok.
