The main area displays the OTCnet logo and the text "DEPOSITS MADE SIMPLE BUREAU OF THE FISCAL SERVICE". Below the logo are two input fields: "User ID:" and "Password:". At the bottom, there are two buttons: "Login" and "Cancel".

Application Tips

- If the icon does not reside in either location, contact your **Check Capture Administrator** to configure the offline terminal.
 - If a terminal has more than one OTCnet Offline application installed (Production or QA training environment), do not run both at the same time as running more than one offline client at a time causes errors.
-

2. Enter your **User ID** and **Password** in the appropriate text boxes in the *OTCnet Offline Startup* page. Click **Log In**.

Application Tips

- The *Offline Server Startup* prompt appears as a standalone prompt, outside the browser.
